

WINDSOR-ESSEX
COMMUNITY
**OPIOID &
SUBSTANCE**
STRATEGY

**Enforcement and Justice Working Group
2025 Project**

**Strengthening Community Safety
and Well-Being**

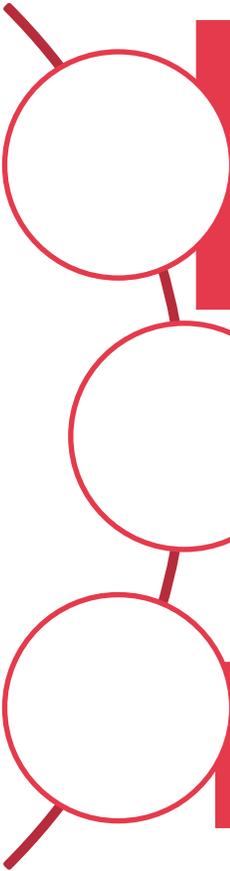

March 04, 2025.

Strategic Alignment

WECOSS Modernization Priority Action Area

Build a shared understanding of community safety and well-being by strengthening public safety and public health partnerships that support vulnerable and marginalized populations.

Purpose

Provide guidance to support community members in responding to various scenarios, such as mental health and substance use crises, conflicts, discrimination/ racism, housing issues.

Further engagement with the target neighborhoods (N9A, N8W, N8Y, N8X) to ensure the safety plans are implemented as intended, achieved the desired impacts.

Expansion of safety plans to Municipality of Leamington.

Goals & Objectives

1

Strengthen community safety and well-being across Windsor-Essex County.

2

Address opioid and substance use-related crime across Windsor Essex County.

Target Populations

Primary Audience

- Community housing residents/staff in the safety plan target areas across the City of Windsor (N9A, N8W, N8Y, N8X)

Secondary Audience

- Residents living in Leamington
